ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was received electronically at the Board of Patent Appeals and Interferences on February 10, 2007. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

Information Disclosure Statements (IDSs) were filed on December 9, 2003, June 24, 2003, September 4, 2003 and September 30, 2004. A review of the Image File Wrapper reveals that the examiner has not considered these IDSs. According to MPEP § 609 which states:

Application No. 10/087,558

“ . . . The Examiner must also fill in his or her name and the date the information was considered in blocks at the bottom of the PTO-1449 or PTO/SB/08A and 08B form.”

Appropriate correction is required.

Accordingly, it is

**ORDERED** that the application is returned to the Examiner for consideration of the IDSs filed on December 9, 2003, June 24, 2003, September 4, 2003 and September 30, 2004, written notification to the applicants of such consideration and for further action as may be appropriate.
